Message from the staff...

We are all excitedly looking forward to this year's Christmas Concert. Students and staff have done a ton of work to organize this annual affair and we want to pass on a special thank you for all of your hard work. We can hardly wait to see the show!

Parent teacher Interview nights have come and gone and we were very pleased with the turn out this year. We trust these sessions allowed you to learn more about what your child is doing in their classroom and to help them set learning goals for the remainder of the year.

As we move into 2009, we begin fielding questions about next year's registration. Parents often receive questions from interested families about our program. Should you find yourself in the role of "Southview School Ambassador" please encourage interested families to contact the school beginning in February (for kindergarten) and March for other grades.

We try to keep our website as up-to-date as possible and encourage families to use it as the primary and most timely source of information. If there are features you'd like to see us add, please let us know.

Have a safe and warm Holiday Season!

Parent Teacher Interviews

As most people are aware, report cards have gone home and interviews have been completed. A special thank you to all of our families that were able to attend our interviews. If you wish to see your child's teacher at a future date, please feel free to contact your child's homeroom teacher. Thanks for your support!

Winter Wear

We would like to remind students, and especially our safety patrollers, to please dress appropriately for the weather. The cut-off temperature during the winter months for patrollers to be on duty is -20 degrees Celsius (with wind chill). At this temperature there would be no patrollers on duty and it would also be an inside recess day. Please note this information.

Merry Christmas!

"Slapshot Santa Scores Again!"

During the next few weeks, students will be busy preparing for their Christmas concert by studying lines and singing songs. All of our students will be participating in the concert and we look forward to the exciting evening of entertainment they have planned!

"Slapshot Santa is an all school musical in which Santa falls asleep watching NHL hockey and dreams that he scored a goal. The next day he goes skating for the first time in many years and decides that he is going to practice hockey until he can play in the NHL with the great Wayne Greatskate. He gets so far behind the production schedule of his toys, that the elves decide to fly Wayne Greatskate to the North Pole for an exhibition game with Santa. Santa gets body checked and battered enough that he decides to give up hockey until after Christmas. To make up for lost time he uses his slapshot to shoot the toys down the chimneys this year!

School Advisory Council Update for the December Newsletter:

From December 1st to 10th parents of the School Advisory Council will be hosting a Blind Silent Auction at Southview School. This means that bids are submitted to a box and won't be opened until the end of the auction to determine bid winners.

Items to be auctioned include a HOCKEY STICK signed by the Medicine Hat Tigers, a CAR STARTER from Zelmore Communications complete with installation, a FAMILY DAY PASS for the ski lift at Hidden Valley Ski Hill, MOVIE PASSES for Galaxy Cinemas, and many other goods and services. A complete listing of things to bid on will be available by the office along with bid forms to be filled out and submitted. Our Silent Auction has been generously supported by local businesses and donations from parents as well.

The Auction will close when the Christmas Concert begins on December 10th. Drop by the school starting December 1st to see the prizes and submit your bids. This is a great chance for you to fill in holes on your Christmas list or pick up something for yourself!

Thank you for your support and good luck!
