It is hard to believe that June is already here. This year seems to have flown by. This will be the final newsletter for the 08/09 school year. It has been a pleasure working with everyone in the Southview Community.

This is Mrs. Ruetz's last year at Southview as she is retiring. Mrs. Ruetz has been a very valuable member of Southview Community School and has contributed a great deal to the students, staff and parents of our community. We wish her the best of luck and will greatly miss her. If you are in the school, please feel free to drop by and wish her

well.

I would like to take this time to announce that I will not be at Southview Community School for the 2009-10 school year. I have chosen to explore other opportunities and challenges in the division. I have had some wonderful experiences here and wish everyone the best of luck in the future. Thank you to everyone that offered their support and assistance to me throughout the year. - Mr. J. Grimes.

Provincial achievement tests are finishing up this month for our grade 3 and 6 students. We wish them all the very best of luck.

Parents are reminded that registration is still ongoing for the 09-10 school year and are encouraged to ensure registration is completed and any outstanding fees are paid up to date to ensure a smooth start to the next school year.

Finally, report cards will be handed out on the 29th of June. They cannot be handed out early. Students who are not going to be here on the 29th will need to provide the office with a stamped self addressed envelope so the report can be mailed.

We hope everyone has a great final month of school!

1 To 1 Computing Initiative

This year was the second year Southview Community School was a part of the Emerge One to One project. This is a provincial initiative aimed at preparing students for

21st century learning. Grade 4, 5 and 6 students engage in a variety of activities and unique learning strategies that utilize technology as a tool to become creative, inde-

pendent thinkers.

Look for an article every month in next year's Newsletters that will inform you as to the progress of the initiative.

PARENT COUNCIL NEWS

May Safety Patroller of the Month

Congratulations to Bryson Duchcherer from Mrs. Stewart's LAP Sr. A. Bryson is our AMA Safety Patroller of the Month for the Month of May! Job well done, Bryson. Thanks to all of our patrollers for helping to keep our crosswalks and parking lot safe.

Well, as I'm sure you all know, this year's Penny Drive was a huge success. With very few contributions of "paper" money, we raised over \$1300.00!!! Way to go Southview School! Our winners this year were Mrs. Robinson's grade 6 class for upper elementary, and for lower elementary, Mrs. Morisseau's grade 2 class. The winners will be treated to an ice cream sundae party, with each class hand-

ing in a wish list of toppings. For next year Mrs. Morisseau is hoping for a chocolate fountain! Thank you everyone for your support, it is with these funds we can continue to make a difference at our school.

We will be hosting an Appreciation Dinner for staff on June 1, to thank them for helping us out. There were a lot of notes and order forms they had to put up with this year.

With summer just around the corner, our school year is coming to a close. We hope everyone has a wonderful summer holiday and we look forward to September! Thanks to everybody for all your help and contributions! Hope to see you at our Annual General meeting in September. Time and date will be posted on our bulletin board by the main doors. Have a great summer!
